June, 01, 2023

Dear Customer,

Thank you for being a loyal customer and putting your trust in our business through the years. Although we have not changed what materials we do and do not accept as waste, we would like to inform everyone in what is acceptable.

Listed below are types of waste in categories of what we do and what we do not accept as waste.

AUTHORIZED WASTE:

- MSW – (Municipal solid waste)
- Construction Debris
- Scrap Metal
- Tires – (10 tires or more require a manifest)
- Green Waste
- Used Oil
- Animal Carcasses

SPECIAL WASTE accepted with prior approval from NWNMRSWA:

- Sludge
- Petroleum contaminated Soil
- Special waste otherwise not specified.

UNAUTHORIZED WASTE

- All Hazardous waste
- ASH - (Household ash only)
- Asbestos containing materials.
- Infectious Waste - (Medical Red Bag)
- PCB's contaminated soil
- Any waste containing free liquids (paint, hand sanitizer, water, etc.)
- Anti-freeze

Although we have tried our best to screen all loads of waste, it would be helpful if you helped in your part when loading waste for disposal at our facilities.

As always, we are striving to provide the best service we can to our customers and the environment. We thank you for understanding. If you have any questions, please feel free to call our main office at (505)905-8400.

Thank you.

NWNMRSWA
